

Coming October 2026

FPDI & WATER FIRST DRINKING WATER INTERNSHIP PROGRAM

BECOME A CLASS 1 WATER OPERATOR

About the Internship:

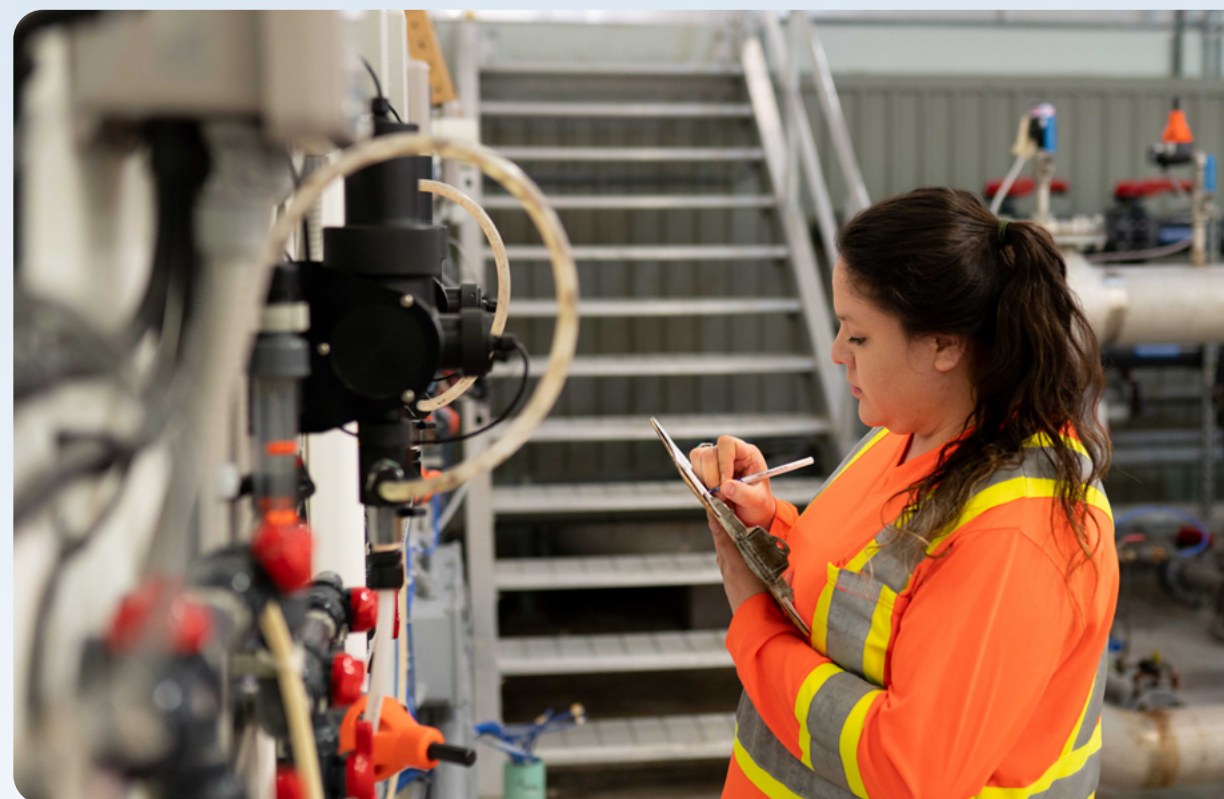

- **15-month paid full-time** internship program
- Hands-on training workshops
- Work placement in community
- In-person and online learning
- Train for a critical job in water treatment and or wastewater facilities – **no two days are ever the same!**
- Play an important role in the community

Who should participate:

- Members of FPD I First Nations
- High school graduates (or equivalent) preferred
- Those interested in water treatment careers
